

Rules for Ten Pin Bowling competition

September 2019 revision

1. General rules

- a. The Ten Pin Bowling competition is a “play at home” event, so it can be run by Companies or Battalions at their own local bowling alley.
- b. Teams may consist of no less than 3 and no more than 6 members of Company Section or Senior age. Girls who are members of linked Girls' Association or Amicus groups may take part as part of a Company team, following the same age limits.
- c. Each Company may enter as many teams as they wish. Joint teams are not permitted. If a Company only has 1 or 2 members able to take part then they may be entered as individuals but will not be included in the team competition.
- d. Each player must complete one game of 10 frames (no barriers). At the end of the game please ask the bowling alley staff for print outs of the score sheets and ask for them to be signed to confirm the scores have not been adjusted.
- e. Players should enter their full names and not just their initials.
- f. The top 3 scoring players from each team will have their scores added together to form that team's score in the competition.
- g. Any ties will be broken firstly by total number of strikes, followed by total number of spares.
- h. Companies may complete their games at any date during the session up to and including 30th April. Score sheets must be sent to the Competitions Convenor by 7th May. Late entries will not be considered in the results. The results will be announced within two weeks of the closing date.
- i. Medals will be awarded for the 1st, 2nd and 3rd placed individuals and for the members of the winning team. The London District Ten Pin Bowling trophy will also be awarded to the winning Company by a convenient means. It is the responsibility of the winning Company to have the trophy engraved and to return it to the Competitions Convenor before the closing date of the following session's competition.

2. Entering the competition

Please scan your score sheets and email them to Tom Boorman, London District Competitions Convenor, at tom.boorman@boys-brigade.org.uk by 7th May.
